

Dearborn Christian School Class List: This list provides the students in each class, whether they graduated from DCS or only attended for one year, for classes all the way back to the very first graduating class in 1961. If there is a "Found" next to someone's name, we have his or her address. If you have contact info for someone not "Found", please pass that info on to the DCS school secretary at www.dearbornchristian@juno.com.
